Duties

Carrying out your team and fleet duties (and assisting at working parties) is not just a condition of membership, but also the only way that the club can operate; we rely on you! If a date is inconvenient, organise a swap through our website. **If you miss a duty you create much more work for the rest of your team, who may have to reduce the sailing and catering available.** Allow for a Sunday duty to last all day - it may be possible to reduce the team in the afternoon but it is not fair to expect the same people to stay late each time. Information you need for duty days can be found in the member's handbook. Please note that on duty days you should be at the club 90 minutes before the first race, kitted out for rescue boat duty.

Please confirm your duty attendance and arrange duty swaps by login in to <http://membership.islandbarn.org.uk>.
